THOS. E. WILSON, Owner

We Invite You to Our Sale of Sales . . .

You may be sure that all of us at Edellyn were extremely happy to learn that Cluny Brave Knight, a grandson of Calrossie Mercury, had been made Supreme Champion at the 1945 Perth Show; which made four successive championships in four generations. His sire, Calrossie Souvenir; his grandsire, Calrossie Mercury; and his great grandsire, Calrossie Control, all have been Perth Champions before him.

Likewise here at home the sons of Mercury have been winning championships and siring some of the greatest cattle of the breed. Edellyn Campeon Mercury making a grand slam at the Fort Worth show by siring both bull and female champions and the winning get of sire. No greater proof than all this, of the prepotency of Calrossie Mercury can be given.

Brilliant as may be the record of the Mercurys, the first crop of calves by Edellyn Royal Leader instilled him stronger than ever as the All-American favorite. His calves are certainly the right kind and they keep improving with age. The bulls that sold in our last year's sale have made a tremendous impression on everyone that have seen them lately. Holders of the record price for the get of one sire and the high individual, they closed the year by winning the Bull Grand Championship at the International and the Reserve Championship on Females.

We are indeed proud of this sale offering, combining the get and services of these two great bulls. No offering in recent years has the potential possibilities of the cattle listed in this catalog, and we recommend them very highly to you. Never has it been so important to have a good bull at the head of your herd with a real background. Never have we offered in one sale so many that are qualified to bring you everlasting satisfaction and success with Shorthorns. Never have we had so many exceptionally good females. It is truly the Sale of Sales.

We sincerely hope that you will honor us with your presence at this—our 20th Annual Sale. A cordial welcome awaits you and we know that you will enjoy seeing the sale cattle and, Edellyn in June.

CALROSSIE MERCURY — Perth Champion in 1939, senior herd sire at Edellyn Farms, was sired by the 1933 Perth Champion. Now his first son, who was also a Perth Champion (1941), has sired the 1945 Champion. This feat has brought International recognition to Calrossie Mercury and the new dynasty. Nowhere in the pages of world Shorthorn history has there been any near approach to this remarkable record, and clearly demonstrates the prepotency of this blood line.

Coldock Bonny Rothes and Son, Edellyn Royal Leader

Will Johnson Says . . .

So much has been written and has been said about Edellyn Farms' famous herd bulls, past and present, that breeders everywhere recognize the fact that no herd has used sires that have done more for the improvement of the breed than have those at Edellyn. Each succeeding show season impresses that fact more firmly upon the minds of those interested in Shorthorn production and Shorthorn progress.

It is just as essential that a herd be composed of superior cows as that impressive sires be placed in service. The females at Edellyn have been selected with the same care and with the same determination to utilize only the best, as was devoted to the herd bulls.

During the twenty-six years that this grand herd has been in existence, only the tops of the breed have been placed in production, only those that have proved their ability to produce calves of superb type, quality and character have been retained after trial. It is the mating of such females with Edellyn's superb sires that has resulted in producing the grand lot of specimens listed in this catalog.

Displayed above is the picture of The All-American Favorite, Edellyn Royal Leader, with his illustrious mother. A study of this offering will show that every bull in the sale is the product of a famous cow and that every heifer that will be sold is the sort that will develop into such a cow.

One must not expect superior breeding cattle to be produced by ordinary cows. Edellyn Farms cows are of the sort from which improvement is obtained.

EDELLYN VALIANT MERCURY—A truly wonderful son of Calrossie Mercury that's out of the same dam as Edellyn Radiant Command, the \$4,000 Dillard Clark herd sire. This bull is very light and loose in his horns, and is about as short legged, deep bodied and soggy as any calf in the sale. Look at his head and his pedigree, and together they spell success.

M F DUCHESS—Grand daughter of the Perth Champion, Millhills Ransom, bred to Calrossie Mercury, another Perth Champion, is a combination of blood lines rarely for sale. Coupled with a heifer that was in the Merryvale Show herd and that's out of one of the thickest, deepest cows of the breed by Fascinator, the Iowa Grand Champion, and it all adds up to a very good breeding plant to buy. Bred April 25th.
